

Authorization For Cremation and Disposition

THIS IS A LEGAL DOCUMENT. READ IT CAREFULLY BEFORE SIGNING. CREMATION IS IRREVERSIBLE. Cremation takes approximately 10 days. Sometimes sooner, sometimes longer but generally about 10 days. It is strongly advised that if it is important to have your loved ones cremated remains present for a service, then please do not schedule a service until we know for certain which day the cremation will take place.

I/We hereby request, authorize and direct the crematory (Brasota Services) to cremate in accordance with and subject to it's rules and regulations the remains of:

Decedent: _____ Date of Death _____

Time of Death: _____ Place of Death: _____

Sex: _____ Age: _____ Date of Birth: _____

Authorizing Agent has viewed the remains and positively identified them as that of the decedent. _____ (initials)

OR

The Authorizing Agent has provided Maloney Funeral Home with a photograph of the deceased. _____ (initials)

All personal property and effects delivered with the remains of the decedent to the crematory, including jewelry, clothes, hair pieces, dental bridgework, eye glasses and shoes will be destroyed in the cremation process or otherwise discarded by the crematory, in it's sole discretion, unless specific instructions for delivery are given below. If no specific instructions are given, I/we release Maloney Funeral Home and the crematory from liability for those items. Items to be delivered to Authorizing Agent.

Prothesis, dentures, dental fillings and bridgework may be destroyed and may not be recoverable following the cremation process. To the extent recoverable, such items may be recycled. Mechanical, medical and radioactive devices (pacemakers ect..) may create a hazardous condition when placed into the cremation chamber. Crematory will not cremate any remains which contain any type of mechanical or radioactive device. I/we authorize the crematory to remove or to have removed from the remains any such devices prior to cremation. Unless otherwise indicated below, I/we certify that the remains do not contain any type of mechanical or radioactive device. If remains contain any type of mechanical or radioactive device, please indicate here: Device: _____ Initials: _____

If no device, Initials _____

The remains must be cremated in a leak-resistant, rigid, combustable cremation container. I/we authorize the crematory to remove and dispose of handles, ornaments and any other non-combustable items attached to the cremation container prior to the cremation process. If the remains are received by the crematory in a container constructed of non-combustable material, I/we authorize the crematory to remove the remains prior to the cremation process and place them in a combustable cremation container.

Following cremation, the cremated remains, consisting primarily of bone fragments, will be processed and mechanically pulverized to an unidentifiable consistency.

I/we acknowledge that some particles of the cremated remains may inadvertently become commingled with particles of other cremated remains during the cremation process. I/we authorize the crematory to dispose of any such particles in any lawful manner.

The Crematory requires the remains of Deceased be in a suitable container for cremation. The Crematory requires a combustable cremation container. Type of container: _____ An urn to hold the cremated remains may be purchased or provided by the Authorizing Agent but an urn is not required. If an urn is not purchased or provided, the cremated remains will be delivered in a rigid (cardboard) temporary container.

_____ Urn purchased by Authorizing Agent. Description: _____

_____ Urn provided by Authorizing Agent. Description: _____

_____ Temporary container provided by the Crematory.

In the event that the urn or container is insufficient to accommodate all of the cremated remains, any excess will be placed in a secondary container and disposed of pursuant to the directions above.

497.607 (2), Florida Statutes, provides that if after a period of 120 days from the date of cremation, the cremated remains have not been claimed, the Crematory may dispose of the cremated remains by scattering them at sea, placing them in a licensed cemetery scattering garden or pond, placing them in a church columbarium or otherwise as provided by administrative rule.

I/we hereby indemnify, release and hold harmless the Crematory, it's agents, employees, representatives and assigns from any and all loss, damage, liability, costs, expenses or claims resulting from this Authorization, including attorney's fees and costs of litigation in connection with the cremation and disposition, including shipping of the cremated remains.

I am a legally authorized person as defined by 497.005(39), Florida Statutes (set forth below). I authorize the cremation of the remains identified herein. I attest that I am not aware of any person in my priority class or higher who objects to this authorization. I acknowledge that no person may make a claim objecting to the cremation of the remains identified herein against the Crematory when the Crematory acts upon the authorization of the legally authorized person executing this authorization.

"Legally authorized person" means, in the priority listed: (a) The decedent, when written inter vivos authorizations and directions are provided by the decedent; (b) The person designated by the decedent as authorized to direct disposition pursuant to Pub. L. No. 109-163,s. 564, as listed on the decedent's United States Department of Defense Record of Emergency Data, DD Form 93, or it's successor form, if the decedent died while serving military service as described in 10 U.S.C. s. 1481(a)(1) -(8) in any branch of the United States Armed Forces, United States Reserve Forces or National Guard; (c) The surviving spouse, unless the spouse has been arrested for committing against the deceased an act of domestic violence as defined in s. 741.28 that resulted in or contributed to the death of the deceased; (d) A son or daughter who is 18 years of age or older; (e) A parent; (f) A brother or sister who is 18 years of age or older; (g) A grandchild who is 18 years of age or older; (h) A grandparent; or (i) Any person in the next degree of kinship. In addition, the term may include, if no family member exists or is available, the guardian of the dead person at the time of death; the personal representative of the deceased; the attorney in fact of the dead person at the time of death; the health surrogate of the dead person at the time of death; a public health officer; the medical examiner, county commissioner or administrator acting under part II of chapter 406 or other public administrator; a representative of a nursing home or other health care institution in charge of final disposition; or a friend or other person not listed in this subsection who is willing to assume the responsibility as the legally authorized person. Where there is a person in any priority class listed in this subsection, the funeral establishment shall rely upon the authorization of any one legally authorized person of that class if that person represents that she or he is not aware of any objection to the cremation of the deceased's human remains by others the same class of the person making the representation or of any person in a higher priority class.
