“ David was a bowling friend for many years. He was a quiet, gentle man who showed great grace during his physical trials and continued bowling even though it wasn't always easy for him. We have missed him this past year and were very sad to learn of his passing. Our thoughts and prayers are with Lydia and his family.

“ A few memories of Dad. He built a big ice slide after a big snow. The snow plow plowed our street the slide was at least 10 ft from the ground, best snow and ice tubing slide ever built.  
Dad walked me down the isle at my wedding in MA He stopped me at the top said hey, you sure? I got the car running out front just in case, We chuckled and then smiled.  
So many good memories. My kids being ring bearers at his wedding to Lydia, it was on the beach in Hawaii and absolutely beautiful. I'm gonna miss you Dad, you were so genuine and kind. Loving and insightful and a great listener. I'm glad you are at peace. Heaven gained another angel. 🙏💕 I'll love you forever

“ We loved spending time with Dave and Lydia when we vacationed in Sarasota. He had a great sense of humor and was an excellent euchre player. Lydia and Eilene were always partners and it wasn't often that we could beat Dave and Rodger. But when we did win it was a big accomplishment and so much fun. We enjoyed going out to dinner and just being together. We are so sad and will miss him very much. Our deepest condolences to Lydia and the Oddie family.
