“ My friend Aileen was the kindness and giving person I knew! I met Aileen 25 years ago when she worked at State Farm Insurance in Wichita, KS ! She became my friend in crime and we did lots of fun stuff. We could talk for hours and never ran out of anything to say. She loved going to Cracker Barrel and order the apple butter! When I visited her in Florida she loved spending time on the beach. She loved her family and was proud of her grand babies. I know Aileen is not dead but she is alive and we'll catching up with her son Shawn. Have fun my friend and I'm counting on you being my guarding angel! Until we meet again !! I love you Aileen!
