“ We are so sorry to hear about Aunt Millie. We wish that Aunt Millie (and Uncle Bill !) could have been around forever. They were so kind and funny! Made the world a better place. Speaking personally, I do so miss that extended Aquino family in Waynesburg in the 50s, 60s, and 70s!. Holidays and Grandma's house. Bill and Millie and family were integral. I can hear their voices now. Best wishes and condolences to all.

“ I have so many happy and fun memories of Aunt Millie. She made me laugh. In fact that is what I will miss most her laugh. She always had a beautiful smile and always saw the humor in situations. She was my God Mother and I idolized her as a little girl. I remember her as a teenager playing her records on this huge "portable" turn table. Elvis Presley, Pat Boone, Gene Autry( her crush)! I babysat the kids, telling bedtime stories, chasing Mike around the house(lol), drawing with Bryan, cuddling,"Jeffy" so cute , Jesse always independent, "little" Jennie so quiet and sweet, and Suzie Q, ornery but lovable! .I'll never forget those times. I will always miss your Mom. I loved her and I love you, my cousins
