

Ann Ruth Stevens

July 14, 1948 - March 20, 2024

Ann Ruth Stevens, 75, passed away March 20, 2024. She was born July 14, 1948 in Wilkes-Barre, Pennsylvania to the late Clarence and Eleanor Boston.

Ann and her partner Steven F Andrews began traveling to Sarasota around 2003 prior to retiring and moving full time from the Columbus area permanently in 2014.

Ann lived most of her wonderfully full life in the Metro Columbus area. She was a 1966 graduate of Westerville High School, and went on to earn her Bachelors in Nursing then a Masters degree in Business. Ann served her community as a nurse with Riverside Methodist Hospital for over 30 years. Later in her career she took a leadership role with American Kidney Stone Management (AKSM) where she led teams across the nation and directed the operations to a high level of success as their Nationwide Vice President.

She enjoyed spending time with her family making memories, knitting, crocheting, cooking, and hosting holiday parties at their residence at Buckeye Lake. Ann was an avid fan of sports from her daughters to her grandsons games she was always present and cheering loudly with a smile. If she was not wearing the local team's color in support she would be found decked out in The Ohio State University apparel. She was an avid fan of the team and the sport itself.

Left to cherish her memory are companion of 31 1/2 years Steve Andrews; daughter Michelle Stevens (Stacey Bailey); son Eric Andrews (Amy); brother Ned Boston; grandchildren Justin Stevens (fiancé Taylor); Forrest Andrews; Aiden Andrews; and one great grandchild on the way!

Ann comes from a long line family that served their country from her Grandfather, Father, Partner, Daughter and Grandson. She always was appreciative of the service and looked for ways to give back to our veterans, gold star families and first responders. In lieu of flowers, memorial contributions may be left in Ann's honor to Tunnel to Towers at <https://t2t.org/donate/>. Memories and condolences may be left for the family online at www.MFHcares.com.
