My Uncle Tony with my Aunt Barbara, used to come over to my home when my kids were young, always with a guitar, creating a microphone system through the radio system, so I could sing 🎵 with him playing on his guitar! My kids who also loved this, would clap as our audience! I am glad that Aunt Maggie in the last part of his life, was part of his ever love of music, which has evolved into karaoke 🎤 so many great memories are my treasure of my awesome Uncle ❤️
