“ My heart was heavy with sympathy for the Stegemanns when I heard about Avis departing this earthly life, but at the same time, it was full of joy at the thought of Avis meeting Jesus face to face. I imagine she has never been happier than the moment she looked into the eyes of her Savior. Being able to call Avis my friend was truly a blessing. She was the most Godly woman I have ever known and taught me so much about the Lord. We did a foot washing once when we served together as deaconesses and I will forever remember seeing a living picture of Christ's love and compassion as Avis humbly served the ladies who attended the event. Pastor Bob and family are in my prayers as they grieve the loss of a beautiful, kind and gentle woman of God.

“ Our deepest condolences to the Stegmann family. Steve & i will always treasure in our hearts the friendship we had with Avis and Pastor Bob. My luncheon with Avis years ago has always been a memorable moment, such knowledge and wisdom of HIS word. Another memory when you both came to our house for dinner, the time you both prayed with my mom at Walgreens once hearing my dad was dying, and all the messages you gave at church sharing God's truths will always be remembered. We love you both and you will be in our prayers for the days, and months ahead.
