Barbara Ann Craven

11/22/1949 – 10/18/2023

Barb a grandmother, mother, wife, and friend lost her battle with cancer on Wednesday the 18th passing away comfortably with her family at her side. She is survived by her husband of 36 years Pat, sister Terri, sons Rick and Dan, daughters Valerie and Michelle. Four grandsons and four granddaughters.

She also leaves a large extended family of in-laws and friends she helped who became family and people who relied on her throughout the years. Barbs compassion soothed our family, her intelligence gave us direction, her humor gave our lives fun, her love held us all tightly. She chased rainbows and danced in the moonlight. She was one of a kind and we shall never see one like her again.

There are no formal services planned, her ashes will be spread over her favorite places.

In lieu of flowers or services she would have wanted you to think fondly of her in the sunset and be there to help each other when someone is in need.

“ Thinking of you reminds me of the many times we spent at the table doing arts & crafts together. One time we made little whales out of clay and talked the day away. I will always remember these fun things we did and the many trips we took when I was a kid. Thank you and I miss and love you!

Legacy of Love

*A wife, a mother, a grandma too,
This is the legacy we have from you.
You taught us love and how to fight.
You gave us strength; you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all in one way or another.
Not just as a wife not just as a mother
For all of us you gave your best
And now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts we'll eternally keep.*

“ I will really miss this vibrant and beautiful woman. She truly was the sister I never had, and one of my best friends. We could spend hours just chatting, sharing ideas and a meal of Chinese food. I will miss that. She was so much fun to be around -- I will miss that smile and those perfect comeback lines. She's the reason I live in and love Florida, and I will always be grateful for that. Love you, Barb, and miss you terribly. Barb Davis
