“ I was 10 years younger than Brad but have known him for all of my life since he was a neighbor of my parents. My other neighbor, Gene English, Brad, and I used to assemble model cars together for quite a few years. Brad was also my teacher at Shenendehowa for a semester. He was a great guy and a great teacher. He will be missed.

“ My God Father, Uncle Brad was a favorite to all who knew him. There ate so many great memories. However, im so truly thankful we spent your birthday all together. You were so happy to eat Mims soup and you also got Les to cook beans. Ill never forget you and just like Santa Clause you will forever be alive in so many hearts. Those that knew how much that meant to us will know what im saying. I love you so much.

Brad was a long time Lincoln and Continental Owners Club (LCOC) board member and LCOC President from 1990-1994. He was very active in the Mid-Atlantic Region (MAR) and LCOC for many years. Brad and MAR hosted many successful local events and LCOC meets - all well attended. He was great at telling jokes and seeing the lighter side of things while taking LCOC and fellow Lincoln enthusiasts seriously. Brad was dedicated to the preservation of our beloved Lincolns and promoting our Club!

Our condolences are extended to Brad's spouse, family, and friends.

*With Deepest Sympathies to those that knew Brad,
Darren Klingler,
