In Loving Memory of

Brandon Kesti

1986 – 2026

Brandon Kesti, age 40, was a beloved father, son, brother, grandson, cousin and friend whose kindness, humor, and generous heart touched countless lives.

Brandon had a gift for making people laugh. Whether it was a corny joke, a funny story, or simply his joyful spirit, he could brighten a room and lift the hearts of those around him. He was the kind of person who would give the shirt off his back to help someone in need.

One of the greatest blessings of Brandon's life was becoming a father to his beautiful daughter, Lillyana. She brought him immense joy, and he loved her with all his heart. Her smile lit up his world, and he was so proud to be her dad.

A man of faith, Brandon loved Jesus deeply. Brandon faced many challenges with courage and determination. His family remembers him not for his

struggles, but for his loving heart, his compassion, his laughter, and the love he shared so freely with everyone around him.

Though our hearts are broken by his passing, we are grateful for the years we shared with him and for the countless memories he leaves behind. His love will remain in our hearts forever.
