Carol was my sister-in-law but more importantly, she was one of my best friends over many years. Our children shared lots of fun times together when they were young. I will always remember Carol's smile, laughter and caring for family. We shared lots of great times together. She will always be a cherished memory for me and will remember her with much love and adoration.

Sending our love to Cousins Colleen, Shaun, and your families. I will always remember the hand made Christmas cards she would send and how helpful she was after our Mom Betty passed away. So many good times growing up visiting you all in Carmel, and wish we had more time to visit her in Florida these last years. I know Len and Betty were waiting for her with hugs. She is already missed. Nanette, Greg, and Suzanne in Minnesota.
