Delmar was the son of my Aunt Ella Jandreau and Eustice Thibodeau. I never knew Delmar or his family but I feel for your loss. I remember Delmar's mother from when I was very young. I would be Delmar's 1st cousin. My father was Ella's brother, Josephel Jandreau. Your Catherine, mother, sister, friend was a very beautiful woman. My sincere sympathies to you and yours. God bless!!
