“Pete, a Great Brother-In-Law, Always more than willing to help with any project at hand. When I was working (Safe/Vault/Safe Deposit) he loved going with me on jobs when he was here at our house, and I loved having him with me. Our visits to Florida and the Keys were always fun with Pete around, and my Uncle Jimmy Hora loved him too. Sorry that Jeanne n' I couldn't attend Pete's Life Celebration as I have medical complications that wouldn't allow it. Jeanne and I will certainly miss him along with his constant smile in all situations of life. Pete was surely "One of The Good Ones"..... LDB

“We first met Pete when we moved next door thirteen years ago. He has been so helpful to us since the first day we moved in. Watching over our place when we are gone and helping out when we are here. It has been our privilege to have known him as a neighbor, friend and most of all a brother in Christ. That being said we know Pete is in glory in the presence of the Lord. Love, John & April Bordas
