“ Charlie was a heck of a guy, he could always make me laugh. He used to always be at MSS and wasn't ever a moment that he couldn't get ya going on something! Not often do you meet a person like Charlie that has that grin and personality that makes you feel comfortable no matter the situation, RIP Sir, I enjoyed knowing you!

“ Ol' Charlie! Such an awesome man. They don't make them like him anymore. I could always greet him with “what's up fat boy” and he would return with “not much fat girl”. Lol. His loss is one that will leave a big hole in this world. He will be missed.
