“ I loved my Aunt Cherrie Lea so much!! She taught me to live life to the fullest. She lit up every room she walked into and loved to tell stories of her adventures. I am so glad I went to visit her in December 2023. I will cherish those memories and will miss her texts. My love and prayers to all who loved her.

“ Granny took my brother and I to our first and only circus. She won tickets to Alabama and gave them to me. She bought me and two of my friends tickets to see Duran Duran when I was in high school. That was a very big deal. She bought me my first car. She paid for most of my college. Granny did so much for everyone and always thought of others but she also knew how to have fun and take care of herself. I loved that about her.
