

Christel Ann Frank

May 16, 1977 - February 19, 2021

Christel Ann Frank, 43, passed away on February 19, 2021. She was born May 16, 1977 in Rochester, Minnesota and had stops of impact and life experiences along the way before eventually landing in Sarasota, Florida in 2016.

Christel had zest for life and enjoyed it fully and with her own rules and definitions. Family and friends were a priority, and all were impacted by her “gypsy spirit”. Life activities that put a smile on her face were anything at the beach, Christel’s Craft Therapy, designing jewelry, art, crafts, yoga, shopping, the Team Tony Foundation, Suncoast Community Church and of course, Rummikub.

Left to cherish her memory are her loving parents, Dennis and Barbara; her brother Chad and his wife Erin, their children, Zac and his wife Carson, Tori, Carter and her great nephew Jackson “Lil Dude”; foster sister Quyen, her husband Tai and their family as well as many friends, aunts, uncles and cousins.

Christel is preceded in death by her dear sister Carrie. They are now hand in hand looking upon us as angels.

Celebration of life in Florida and Minnesota will be scheduled for a future date.

Flowers and memorials can be shared with the charity of your choice.

“ Denny and Barb, I am so sorry about Christel passing. Her personality and her kindness will be missed by so many. She was a joy to be around. I have one of the craft tiles she made with the message *Let it go* written on it. She encouraged me to talk about what it meant to me. She truly had a gift in bringing out what people needed to talk about. We will have her in our thoughts. Jan and Gary.

“ We were sorry to hear of Christel's death and her loss to your family. It's just not right when a child passes before her parents. May the Lord who holds her eternally in His arms also support you with His grace and love. Hugs...Ky and Jeanne from Dutch Hollow.

“ Christel was larger than life from day one. Her light was contagious and she was as beautiful inside as she was outside. She was a keeper, a true friend, someone who could live miles and miles away but still be engraved in your heart. She had the best imagination and we spent hours together with adventures games, dance routines, gymnastic stunts, resaca rafting, scary movie sleepovers with she thought up. BFF, LYLAS, MAC attack. I got my first F for getting caught sharing answers to a PE test. And I would do it again every single time. She was that kind of person. Her family felt like my family. She was a once in a lifetime friend. I will miss her.

“ *Christel Ann was loved by many. Every time we'd go out she'd meet atleast a few new friends and she became closer to them than I ever was and they were my friends to begin with. That's how big her heart was and how much joy she spread to everyone. I'm glad I got to know her for over 16 years. She will be greatly missed. I miss her spunk already xoxox*
