“ I am so saddened to hear of Cliff's passing. I knew Cliff for such a long time, longer than I've known my husband, who I referred to Cliff as a patient. We were sorry when he retired but wished him all the best on the new adventure. Sadly, that was cut short. I'm sure he made the most of the time he had. He is blessedly pain-free and fishing his days away with the Lord. Deepest condolences to his family. Know how loved he was and will always be. Lori Fulton/Carl Bloomer
