“ I remember growing up and all the Yoder family get togethers we had. On one occasion we were at Uncle Dale and Aunt Martha's house when they lived on Geib in Hartville. There was always a lot of good food and fellowship! From Aunt Martha's date nut pudding to Uncle Harold's potato salad! Sometimes there would be singing of favorite hymns. Others times Uncle Elton would set up his small projector and show his 8mm movies. As kids we would watch with anticipation to see our faces appear in the movie!! I miss those times of getting together but hold those memories close to my heart. May your memories bring you peace and comfort during this time. Love to your family.
