“ *Dear Aunt Dee: Thank you for being such a caring, kind and thoughtful Aunt. You always remembered everyone's birthday and special occasions. You also took good care of all of us when we were young and old! I already miss your presence and our talks but I know that you are now with your parents and everyone that loved you on the other side and that you are free and light-filled. And since you are in the formless you can still be close to us with your forever loving energy. I love you, Diane*
