“ Working with Dee at Frank Russell Co was always a joy. Her spirit was always bright and positive and her smile was wonderfully infectious! On top of that, she was so brilliant and insightful in creating Russell University. I wish I had the chance to visit her in Florida, as we had discussed. RIP Dee, you were a bright light and will be missed.

Dee and her husband Steve were super neighbors when they lived in Tacoma. Their love of flowers reflected in their English style garden was a delight and brought joy to our Northend Tacoma neighborhood!!
