Tribute Wall

“ *Chico was a friend to all , especially the ladies . He was the self-proclaimed "Barstool Dear Abby " - which is how we met ... he was the barrister for the " Matlacha Hookers" , a group of fisherman's widows that help raise funds for schools .
He always made sure you got there and back safely - whether by boat , golf cart , motorcycle , or converted school bus .
He is truly missed .*

I didn't get to meet my uncle until I was grown. It was like I had known him my whole life. He was so much like the rest of the family. You could tell he was very comfortable with who he was and he wanted you to be comfortable too. He made me laugh and I'll cherish the memory of laughing with him about his "redneck winter cooler" also known as a snow bank. Rest In Peace, Uncle Donald. Hope you're fishing and relaxing up there.

*...Because of the Joy that we shared , I find it a little easier to keep on keeping on ...
My childhood friend said it best:
Keep smiling so he'll recognize you !
That man will forever flow through my veins , though I'm heartbroken , I know he's no longer suffering*

Chico was a remarkable man and perfect neighbor. He was also a humble man, always offering to help out. He was extremely knowledgeable about fixing things. My husband really enjoyed talking with Chico and loved his humor. Rest In Peace my friend!
