March 21, 1960 - August 14, 2021

Edwin Weaver Fox, 61, died unexpectedly on August 14, 2021. He was born on March 21, 1960 in Terre Hill, Pennsylvania, the son of the late Henry and Margaret (Weaver) Fox. Ed was one of 18 children.

Ed came to Sarasota in 1981 from Lancaster County, Pennsylvania. He was a member of Ashton Mennonite Church for many years and more recently attended Bayside Community Church. He was also a member of the FSPA, Florida Swimming Pool Association. Some of Ed's favorite hobbies were to play golf and snow ski in Colorado. Through his genuine care for others, he built a legacy that is everlasting.

In addition to his father, Ed was predeceased by his son, Tyler; sister, Vera; and brother Warren's late wife, Arlene.

Left to cherish his memory are his wife of 37 years, Susie; their daughter, Jessica, married to Brian Ceo and grandson Brian Jr; and their son, Brandon Fox.
