

Edwin Millican

November 13, 1960 - April 15, 2026

Edwin Millican passed away April 15 2026 in Sarasota, Florida. He was born November 13, 1960 to the late Edwin and Lorna (Alcorn) Millican. He was a painter and came to Sarasota 10 years ago from Springtown, Texas.

Eddie had a love for a lot of things in this life, bass fishing at Caddo Lake in Uncertain Texas which was his favorite place on Earth. But especially being on his bass boat. He loved all types of music but mainly 70's and 80's rock bands like Def Leppard, Metallica, and Journey. He also loved his Bud Light beer, but overall he loved his family. Family was the most important thing to Eddie. He loved his parents, his sister, his only daughter, and his two grandchildren and countless cousins, aunts, and uncles. Even though he had a funny way of showing it at times, he loved them with everything he had. He was always the life of the party wherever he went and had a carefree spirit. Eddie always had a stubborn personality, he wanted things done his way, when he wanted and how he wanted to do things, but he also had a sweet side and that is the Dad I will always remember.

Left to cherish his memory are his daughter Jamie Lapeyrouse and her husband Dylan; sister Catherine Kiselica and her husband Matthew; grandchildren Sierra Ballard and Jason Taylor; and great-grandchildren Nathan Alecander Rick III and Wren Ariel Martin.

Memories and condolences may be left for the family online at www.MFHcares.com.

“ My dad was a tough cookie. But he never met a stranger. He was definitely sweet when he wanted to be and always knew how to light up a room that's for sure. He will be very much missed by our family especially me.
