“ It was an honor to be a part of Eleanor's care team. She was brave, strong, and courageous, and expressed a deep and unrelenting love for her daughters Tina and Kim. I will miss her dearly, but I know her spirit lives on.
With Love, Janelle

“ Elle holds a very special place in my heart. I'm so thankful for her helping me get set up in Naples. She was always so thoughtful checking in with me over the years- making me feel like I had a mother closer to home. I am so thankful to have known her. Love,
Lauren

“ Many of our best meals were with Eleanor and Joel. The duck breast she cooked was a superb dish and we also enjoyed some fabulous filet mignon from Blue Point Grill/ Sutton Place Gourmet with our favorite Chalk Hill wines while looking out over the Potomac and the Capitol.

Eleanor was my supervisor at the Defense Finance and Accounting Service in Columbus, Ohio. She was so supportive and compassionate. She always had time to take care of her employees and always had our backs! She was tough when it was needed and was always in the best interest of her employees. I will always admire her for the beautiful person she was, and will always be in my heart! I always remember her when I receive my retirement pay each month - she believed in me and it was a true honor working for her. She was not only my boss, but my dearest friend.

We had many conversations about her beautiful daughters - she loved them dearly!!

She always called me on my birthday - she always remembered!!!

We will see her beautiful smile again - God will welcome her home.
