“ *I loved going to Eli and Vera's in Florida for swimming and birthday parties as a little girl with my sister, Genny, and Amber and Aaron. My first deep sea fishing adventure was of course with him. And watching him and Henry and Mary fly still has me dreaming of getting my pilot license one day, too! I will always admire their bravery and sense of adventure! Sending his family love.*

“ I always wanted to fly, after watching Eli fly in and out of his field, 73 years ago! Later in life I flew some and Eli allowed me to land and take off from his field just 1/2 mile from where I lived from age 4 to 15 years old. May Jesus our Savior comfort and bless the ones that he loved and the ones that loved Eli!
