“ *My precious Aunt Betty will always live on in my heart. She was one of a kind, always making the most of each day & opportunity life brought her way. How I loved spending time with her during summer break in Nashville as a child. Many of my favorite memories have Aunt Betty at the center. She made me feel so loved & adored. Our loss is Heaven’s gain!💜💜💜 Love always!*

“ *She was my Mother and my Father. We had hard times but no matter what she seemed to turn anything into a wonderful time. Just being her daughter was all I ever needed.*
