“ We were incredibly sad to hear of Emma’s passing. I don’t have many childhood memories without her and Bill in them, and I will cherish them forever. I hope my parents and them are all bowling 300s in the lanes in heaven and having a grand old time. Bill and Emma were the most amazing Godparents to Raymond and I. Nothing but wonderful memories and stories. Beautiful people. We are so sorry for the families loss. I will love them forever.
