

Eric Palle Jensen

November 1, 1968 - October 29, 2022

Eric Palle Jensen, age 53, died peacefully and suddenly, on the evening of October 29th, 2022, 3 days before his 54th birthday.

Eric, born on November 1, 1968, in Pontiac, MI to Christian Palle Jensen (Marjorie) and Alice Ann Griffiths. He is survived by wife, Yassmin; three beloved and cherished children, Leanna Marie Jensen, Julia Rose Jensen and Michael Eric-Palle Jensen; three grandchildren Brady Isaac, Benjamin Esteban and Amelia Grace; Sister Lynn Marie Steffey (William), Brother Michael Christian Jensen (Stephanie), Sister April McBride, Sister Melody June Hyland, Uncle James P. Jensen II (Hazel) and several nieces and nephews.

Eric was a family man to his core! He loved spending time with his kids and family! He loved music. He could hear any song or melody and play it on the guitar or piano. Eric would make you laugh until you fell over. He made it his mission to bring a smile to the faces of everyone he met.

Eric never missed a birthday, a baseball game, or the opportunity to show us how proud he was of us. If he didn't know what words to say, he always knew what song to send to get his message through.

No one had a passion for life like Eric, and he was the first and loudest to say he wasn't perfect.

“I’ve had bigger cuts on my lip, but never quit whistling” – Eric Jensen
