“ Many years go back in 1972 my daddy Rodney Potter, and mama Minnie Potter, my sister and I moved onto a piece of property where my mama & I still are. Daddy is in heaven now... but the peacocks from Christian Retreat would come here, and it would take days for them to get here. Also days for them to go back! Mama would call Gerald and his wife to let them know that their peacocks were on their way home lol. I was only 10.. I'm 59 now. Kind of a cute little story. There's no doubt anyone that knew Gerald knows right where he is now. Phil.. if you see this I just want you to know that I'm so sorry for the hurt you must feel losing your daddy. Even tho we know where our Daddy's are , and that we'll be with them again.. it's still hard being without them here. Your daddy was a wonderful man, he was so instrumental in so many people getting to be in heaven. I'm thankful for the small way i got to know him over the younger years of my life. I'll never forget him, or your mama, or you.
Always,
Elizabeth

“ We were blessed to meet Brother and Sister Derstine at Strawberry Lake Retreat many years ago. What a wonderful couple they are! My husband has the Gerald Derstine Partner Edition Bible that he enjoys very much. We were able to sit with the Derstines and have lunch and fellowship with them. So glad we got to meet them on this side of heaven and will meet again later.

“ I have been so blessed by Gerald Derstine . When was Born Again in 1978 I watched his ministry on the Christian TV station in Chicago. I learned about the tithe from him. God definitely used Gerald to bless me. I was able to visit Christian Retreat in Bradenton FL. He has a great legacy. Blessings to his family.

Gerald was a man that had great depth in the Word, prayer, Holy Spirit, and how to live life in Jesus. I met him at Strawberry Lake through Mark and Eva Landes. His legacy will live on because of Jesus. Love and blessings to the family.

I was just thinking of him today and thought I would check online only to find out he had passed. What a great man he was. His heart was as big as a mountian. He blessed so many people during his lifetime and I was one of them.
