“ There is no words other than a true child of God. She was one in a million, played the piano and sang with her daughters, always giving God the Glory. We were first cousins but more like sisters.

God knows all. Blessed to have her in my entire life 💔

“ We've been friends for over 40 years. I have so many memories, but the best one was our last conversationi it was on January 1st. She called to tell me she was being admitted in the hospital. We talked for just a few minutes & she said let's pray, so we prayed together. I will cherish that prayer for ever in my heart . She said I know Gods got me. We would talked for hours & laugh, we've had on many occasions, on the phone where we would sing & pray together & have had church many times over the phone . She had so much faith in her Lord. She's in Heaven now, that's where she always long to be .. Jennifer, Brandy, & LeeAnn. Love you beautiful ladies . In my prayers God will give you the strength you need
