

James Stanley Domanski

January 20, 1959 - December 20, 2024

James Stanley Domanski passed away in Sarasota Florida on December 20th 2024. Jim, as he was known to family and friends, was born in Wyandotte Michigan on January 20th 1959, the youngest child of Donald Domanski and Julianna Stawowy Domanski, who both preceded him in death.

For nearly three decades Jim was well-known in his Royal Oak, Michigan community as an entrepreneur, and co-owner of "Pronto 608!". In 2005 he was named the Royal Oak Chamber of Commerce's "Businessperson of the Year". His love of gardening led him to help create "We Dig Royal Oak" which became the city's annual beautification program. For years he was an Adopt-A-Garden Gardener at the Detroit Zoo in Royal Oak. Jim was active in the community and many organizations benefited from his generosity in time and talent. After retiring he moved to Florida in 2014, and Jim became a supervisor at Costco. In his free time, Jim was an avid fan of the Detroit Tigers (12 years a season ticket holder), and Detroit Lions, and he often attended the Tiger spring training games in Florida. Additionally he could be found gardening, enjoying time with family and friends, and walking the beach. He spear-headed contributions to the Children's Miracle Hospital Network, that Costco sponsored.

Making people happy was Jim's mission in life.

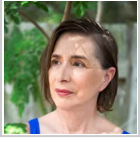

Left to cherish Jim's bright memory are his siblings Theresa Domanski, Ken Domanski and his wife Margaret, Thomas Domanski and his wife Nancy, Dennis Domanski and his wife Dodie, Niece Katelin James, Nephews Brian, Steven and Andrew Domanski, as well as many cousins.

There will be a private family graveside service in his honor at Our Lady of Hope Catholic Cemetery in Brownston, Michigan on a date to be determined by his family.

If you would like to make a donation in Jim's honor please do so to the Children's Miracle Network Hospitals at cmnhospitals.org or the charity of your choice.

“ Jimmy lived nearly across the street from us with his loving sister. It was the most beautifully landscaped house in the subdivision. The home was legend for the amazing Halloween decorations, including a walkway lined with real hand carved pumpkins, (each one awesome and different) and the VERY BEST decorations and spooky mood of anyone in the surrounding area. He clearly had an artistic knack and he was super friendly and will be sorely missed by all who were lucky enough to cross his path. Too young and too kind to die! Sincerely, Ruth and Tom Swain

Jim was an absolutely wonderful guy. After he started working at Costco we became instant friends. There were so many calls that ending up lasting as long as five hours. He shared so much of his life stories with me. I felt honored to know him. He was a go getter for Children's Hospital and made amazing contributions. Costco was lucky to have him. He stepped up to the plate in everything that was thrown at him.
R.I.P. Jim. You are loved and respected by so many people. You truly had a heart of gold.

“ I had the pleasure of meeting and working with Jim when he managed the Hudson's department store in Toledo, Ohio in the late 80's early 90's and then when he bought Pronto in Royal Oak.
Jim was a great guy and very generous.
He will be remembered fondly.
