“ Pam and Robert Biddlestone at Biddlestone Trucking. Jim was a good friend. We sometimes would be on the phone talking a long time he was a fun and good guy and a mentor when starting up my business in the early 2000s answering a lot of questions. Also, if my truck went down on the weekend, he would have the parts I needed to get up and running again. Preston would wash and wax my truck for me. He will be greatly missed our condolences to the family.

“ Jim was a great friend. When he came to FL, I would meet him at the SRQ airport. The ride to his home was filled with raqcous laughter, even more so when Susan came with him. We joked about our lives, the news of the day, and his love for cutting grass. What most do not know is how generous he was. The last three Christmas, Jim bought presents for all the children and Vets in the Bradenton, FL Salvation Army shelter. Additionally, the Stocker's contribution was instrumental in providing a solar system to a remote school in the Fijian Islands, without which the chidren had no classroom electricity.

His passing is truly difficult for me and my wife. We will miss him greatly, and we will never forget him.
