

Jean C Welsh

October 8, 1957 - October 27, 2025

Jean C. Welsh, age 68, was born into eternal life on October 27, 2025, following a courageous nearly 11-year battle with breast cancer. The life Jean led prior to and during cancer was one of love, kindness and strength.

Of her many roles throughout her life, Jean took the greatest pride in being a devoted mother, wife, and friend, and she was overjoyed to embrace her newest role as grandmother to Theo, Jack and Veronica.

Jean is survived by her husband Don of 44 years – a graduate of Calvert Hall (1974) and Towson University (1979), daughters Laura (Zach) Bowling, Ashley Alto, Amanda (fiancé Lizz Caputo), and Sarah (Lewis) Bauer. Beaming grandmother to Jack, Theo and Veronica. Daughter to Mildred (the late Ronald) Rosie and sister to Sheryl (John) Vanderwalker. Aunt to 14 nieces and nephews who she adored.

On behalf of Jean, our family extends a heartfelt thanks to Dr. Cliff Hudis and Nancy Daly, with the American Society of Clinical Oncology (ASCO) and the incredible doctors, nurses, PAs, research professionals, hospice workers and the countless unsung heroes at Northwestern Memorial Hospital (Chicago), Johns Hopkins Sibley Memorial Hospital (DC), H. Lee Moffitt Cancer Center & Research Institute (Tampa) and Sarasota Memorial Hospital (Sarasota).

Jean's life will be celebrated with family and friends in Baltimore and Chicago.

In lieu of flowers, please consider a donation to ASCO Foundation's, Conquer Cancer, the global community of advocates, patients, doctors, researchers and caregivers dedicated to improving the lives of those afflicted with cancer. Please click here to further assist with ASCO's breakthrough work in cancer research. https://support.conquer.org/page/165692/donate/1?ea_tracking_id=WStrack

Tribute Wall
