“ *I have so many memories of Jeff, Jefro Bodean as he was also known.
I remember Jeff moved in 4 houses away when his family moved here from Bartow.
We fast became friends.
My first apartment I lived with Jeff and Andy Forsyth on Clark Rd. and from there we rented a house by Ringling art school for \$150 a month just to let you know how long ago it was. There we had so much fun and Jeff met Donna and they eventually got married at the Rose Garden at the Ringling Museum, it was perfect. They went on to raise two beautiful daughters and built a successful business. Jeff was my other brother, we went through many changes over the years.
He was such a giving soul, he didn't like to show that side enough. A piece of my childhood I will never forget and a friend I will always miss, love you Jefro❤️*

Jeff, was one of the nicest young men, I have ever meet. He was a great provider, a wonderful cook, and yard was impeccable. He just never found inner peace. May he now rest in PEACE.
