“ My name is Richard Herr from Buffalo, NY. I was a friend of Don Peters and became a friend of Joan's because of that connection. I tried to call her today (3/4/23) only to find her phone disconnected and then this news.

Joan was a wonderful woman and am sad for our loss. I am so glad her brother moved to Florida and was able to help her when needed.

Rest in peace Joan.

Annette and I love you and enjoyed our time together.

“ I taught across the hall from Joan at Bowmansville for 19 years. Linda and I travelled and camped with her and Dan for many years. We had a lot of laughs. she was a great friend. she will be sorely missed. we had not seen each other since retirement but had kept in touch until recently.

“ When I started teaching Joan was one of my very first friends. She was so kind to me and helped me so much in the early teaching days. I'll never forget Dan and Joan at my wedding. We sent Christmas cards to each other every year. I will miss her.

“ We were all so saddened to hear of Joan’s passing. She was a wonderful friend to us all. I have so many great memories of Joan. First, teaching together and in the summer walking from my house to hers on South Forest to go get some coffee. Then our weekly lunches, and we even took Aaron as a baby. Joan always thought he was so well behaved, she was the best with kids! Then all the vacations at Chez Joan’s once she retired. This week I spent some time looking at the photo albums of all those trips, such fantastic memories. Aaron and Emily said what a kind and fun person “Miss Joan” was, they loved visiting her. I loved looking at all her photo albums, she took some wonderful trips over the years. She took the best cruise formal night photos! I remember all our discussion of family. She would talk about growing up in Gloversville. She spoke so fondly of her parents, her brother Bob and SIL Pat. She loved all her nieces and nephews. She meant so much to so many and will be dearly missed.

“ I am very saddened at Joan's passing. She was a wonderful friend, teacher, and coworker. She was also a fantastic mentor to me as a beginning teacher at Bowmansville School. She always talked lovingly and cherished her parents, her brother, Bob, his wife Pat, and all her nieces and nephews. We were friends with Joan and Dan and visited with Joan in Lakeland Ranch when we took trips to Florida.

Some of the memories that make me smile were Joan gardening in long white evening gloves from Gloversville and saying that her father said that the best exercise was pushing yourself away from the table. She also had a great sense of humor and fast wit. (I'd love to help you out, but I didn't see where you came in.)

I was happy when Bob and Pat moved near Joan. I knew Bob would look after her.
