“ JoAnne and I first became friends while she was running the RIF program at Fruitville. I loved volunteering with her. When she moved on from RIF she passed it on to me. Later on down the road we became co-workers at Fruitville, but first and foremost she was always my loving and caring friend. I will always remember that beautiful smile and heart of gold.

“ I remember the 4th of July several years ago when I spent time with JoAnne at Jean Pendegrass's island home on Little Gasparilla island. We had a great time and she was a good sport going out late to see the turtles lay eggs.

“ Joanne or Jo-Jo as my mom called her, was one of my mom's closest friends. They met (I believe) back in the day while working together at Burdines. I remember many fun times with Jo-Jo and her beautiful family. We loved to eat at El-Adobe and get our families together. She was a big part of my mom's life and I know she will be greeted in heaven with open arms by my mom.

“ JoAnne was such a good mom & a kind woman. I spent a lot of time at their house with Katie when we were younger. They planned a baby shower for me at their house when I had my first child 20 years ago. It meant a lot to me. I will never forget her kindness. I'm sorry for your loss!
