“ John will be greatly missed by his friends in the Cascades Community here in Florida. We have shared many "happy hours" and outdoor music/dancing with John and Susan through several years. John was always fun to be with and always ready to go out with good friends. We will miss you, John. We are here for you, Susan. Joanne and David Byrne

“ I knew John from the time we were in our early years of high school as we were growing up in Huntington, WV.

We both attended and graduated from Marshall University. It was during those years that we became ardent supporters of Marshall's athletic teams--particularly football and basketball.

We, and our wives, attended many games over the years both in Huntington and around the country supporting Marshall.

We stayed in touch over the years and stayed friends.

I was shocked when I received the news of his passing. He will always be remembered as a very good friend.
