Sending sympathy & warm condolences to Trish and all the family. I am thankful to have known John through his wife Trish, a close friend. I was thrilled when John & Trish met, married and shared 30 wonderful yrs. together. This included time with loved ones, their beloved pets, home life and some travels including many fun trips to Disney. John was a kind, caring person, excellent business owner and loved to read. The world would be a better place with more people like John. Memories & love for John will live on in everyone who knew him.
