“ I send my sincere condolences in the passing of John. He has left a great mark on a very large family and friends of many communities. In his lifetime he has given so many memories and so much joy. It is with his passing that we celebrate his life, not his loss. Heaven has gained another angel and we can all take peace in knowing we have another angel in our army watching over us here on earth...Until we meet again. My love to the family, my prayers for all and may John rest in peace. Well done faithful servant, well done. Your cousin... Elaine
