“ Dear Theresa,

We want to extend our deepest sympathy to you and the whole family on the passing of John. We were such good friends with John, for such a long time, he was in our wedding 55 years ago. We will always remember that wonderful dinner we all had at Lino's a couple of years ago. John had us all laughing the entire night!

Love,

“ Theresa and all Johnny's family, I was sorry to hear this news. I talked with Johnny a few weeks ago and we said our good-byes. The conversation was filled with many adventures we had over the years: 5 Points Hollywood, boating on the Rock River, Top of the Rock, parties galore and weddings. We entered the Army together in '69, both ending up in Vietnam and talking about the fun times we had over there. I will miss the dinners we shared when he came into town. My love to you and the family. Mike Long

“ Dear Theresa and the whole Leggero family, my deepest condolences to you on the loss of such a memorable man. The news on FB came as a shock and left me with tears and a heavy heart. The Leggero and Marsili families were good friends back in Rockford. My dad was even Johnny's godfather. Johnny and I reconnected on FB years ago and I always enjoyed his posts, seeing his new car choices, and his humor. He will be missed by so many people in Venice, FL, Rockford, IL and on FB. May the many loving memories you all share comfort and sustain you during this difficult time. RIP Johnny.

“ Theresa, Nick and family. Heaven has its newest angel and he’s probably already in the chariot business. Always loved being around Johnny in grade school and enjoyed talking to him over the years. I think Florida agreed with him and the Eternal Rest repose idea describes him totally. Rest In Peace my brother. The world will miss your smile!

“ Johnny and I met when we were 4 years old (September of 1954) when we were in Kindergarten at St. Anthony School. He was one of my very first friends. He had a bit of a swagger: a real style about him and eyes that smiled when he did. But most of all he had a big heart belied his stature. For his Vietnam service he has my utmost respect and admiration. I will miss his Facebook posts in which he chronicled his exploits and shared his family. I will miss Johnny. My prayers are with all of his family.

I am in shock to hear this!!!! Like many, I didn't know he was ill. We were exactly one month apart in age. He was a wonderful friend, and a great human being. My heart goes out to Theresa, his family, and to all his many friends that will mourn his passing. See you on the other side, my dear friend 🥲

“ Oh this is such sad news and it all came way too fast. I didn't even know he was sick until I talked to his siblings in Rockford at the Lombardi club this summer. When he and I spoke last spring he didn't mention it. This is devastating news and my heart hurt for the whole family. He's certainly had great years with his beloved Theresa who he was so in love with. Special condolences to her and to his siblings who I know from Rockford. May he rest in peace. He was a force to reckon with and will be so missed. So glad we got together last year in Florida! Thank you for your service in Vietnam

Johnny was one of a kind ! Ended up being a best friend. He and Theresa would always invite me to join them in almost everything They became family to me. Johnny was such a comedian and always made me laugh! I could go on and on but the most important thing I can say is Thank you God for bringing him into my life !! God will definitely open the gates of heaven for him to see his loved ones again. So loved from so many but the most important is he will have no more pain.!! Rip Johnny Leggs. Great memories.

“ Mary and I were notified today by mutual friends of John and Theresa. John was in best spirits last time we visited. His warm smile and uplifting conversation was so good and he was in a great place. I am sure that carried on and will continue to carry on meeting and greeting our Lord. We all try hard in this life to do good. Sometimes just sharing yourself, sharing your caring and best wishes is everything. I will remember John for that! My best Theresa! And you John!
