“ Dear Bill, Martha, Joanna and family members; we would like to extend our heartfelt sympathy to you all for the loss of your loved one, which I know was a great shock to you as it was to us, especially after the recent passing of his loving mother. Bill, I know you really don't know me - Eva, or my husband (Joe) - but I remember "Johnny" when we were all quite young; because his sister, Martha and I had become friends around the 5th grade. I can't truthfully say I knew a lot about him, because I didn't, since he was a few years younger than us - but one thing stood out is whenever I would go over to the Reschs' house John was always polite, and somewhat of a quiet type. Whenever I would see him in later years, whether it be in Michigan or over at then the elder Mr & Mrs Resch, we had some nice conversations/hugs just as if I were family (which truly I believe we were)!
Dear Martha and Joanna, I am deeply sorry for the passing of your dear brother, as I know all too well, how hard it was to take! Actually "Johnny" and "Frankie" were about the same age - I think they knew each other in school, but not "friends" in the sense that you and I are. Again, our thoughts and prayers are with you all; God bless and love, Joe & Eva
