“ I'm so very sorry for the loss of your Mom. She was one of the sweetest people I've ever known. Our birthdays were a week apart, and we were the first of friends to be the next year older, of course I was the oldest! I feel like I lost part of my childhood, so I can imagine your loss. My love and prayers go out to your whole family. With all my Sympathy,

“ I'm in shock! Jolene and I used to ride the bus together and were very close in high school. She was always fun, kind, pretty. My heart goes out to her family. It's hard to believe as she was always posting how happy she was on Facebook.
