

## Jonathan Charles Ross

February 16, 1953 - December 8, 2025

Jonathan Charles Ross, age 72, of University Park, Florida passed away unexpectedly on December 8, 2025 as a result of a fall. He was born on February 16, 1953 in Salem, MA to Dr. and Mrs. David C. Ross, and is survived by his wife, Lori, his true life partner of 42 years, as well as his sister, Kirsty Ross Walker, two nephews Robert and Daniel Walker, five grand-nephews and a grand-niece.

A graduate of the University of Pennsylvania, Jon worked in finance for many years with large investment firms in Manhattan followed by a few years with Merrill Lynch in Jacksonville, before retiring with Lori to University Park, FL and Maggie Valley, NC...the best of both worlds - warm winters and cool mountain summers.

Jon loved the water -- the freedom of sailing in the ocean off the coast of New England and sculling on the rivers of Boston and Philadelphia, but his happiest place was on the golf course. A skilled golfer, he sank not one but two "Holes in One" and received his share of member-guest awards, sometimes playing with his dad David. They made a great team! Jon loved a good round of golf followed by a trip to the 19th hole, a challenging game of bridge, a lively football game and a good laugh with friends. To know Jon was to know a thoughtful, kind, intelligent and fun-loving man with the utmost integrity. He will be greatly missed.

In lieu of flowers, memorial contributions may be made in Jonathan's honor to the Towers to Tunnels foundation at: <https://t2t.org> or St. Jude's Children's Hospital at: <https://www.stjude.org/donate>.

“ Jon was very social, unassuming and always great company on the course, or at University Park Country Club. He will be missed by his many golfing buddies here. Unexpected and way too soon. RIP Jon.

Jon was always so easy going and easy to chat with whether it be golf, politics or the weather. He made his 1st hole in one just a week before his tragic passing. RIP Jon you are truly a gentleman and missed by all who were blessed to know you. 🙏
