

## Khalid Bouhamid

November 4, 1962 - February 1, 2026

Khalid Bouhamid, 63, passed away peacefully on February 1, 2026. He was born November 4, 1962 in Casablanca, Morocco to the late Hamid and Badia Bouhamid.

He moved to the Island of Venice, Florida, in 1969—where he proudly graduated from Venice High School. Khalid lived his life to the fullest, leaving a legacy defined by kindness and an unwavering commitment to helping others. He was the kind of person who loved everyone he encountered, exactly as they were, and in return, he was deeply loved by all who knew him. His greatest passion was helping people with disabilities to achieve greater mobility and independence.

Outside of his work, he loved grilling for family and friends, fishing, cracking jokes and being outdoors. He truly enjoyed making people feel welcome. He found joy in figuring out how things worked and how to make them work better—whether fixing up cars, boats, assistive devices or building inventions of his own entirely. But above all else, his greatest pride and love were his daughters. Khalid will be remembered for his clever wit, his laughter, his creativity, and his mission to improve the lives of others.

Left to cherish his memory are his loving daughters, Sara and Selma Bouhamid, and wife Saida. He is also survived by two sisters, Maria

Bouhamid and Nadia Mahshie; two brothers, TJ and Dean Bouhamid; along with many other family and friends who will greatly miss him.

A service for Khalid was held at the Islamic Society of Sarasota and Bradenton. Following the service, he was laid to rest beside his parents at Skyway Memorial Gardens.
