“ *I have been Facebook friends with Lana for over two years. We both encouraged each other with inspiration and motivation for "our projects" we were doing. She always had as much enthusiam as me on my projects. Loved and look forward to her kind and thoughtful post. I will miss her dearly.*

*Lana was my friend for years in Puerto Rico and we were much younger during those years. Her father passed away in PR. during the time he was an employee in the island. What causes Lana's death ? She was young.*

“ I truly enjoyed working with Lana at Brentwood for so many years. She showed kindness and my students enjoyed her classes. We grew up in neighboring towns in S Texas so we had fun comparing our lives there near “Corpus” as we natives call Corpus Christi. Prayers for the family now as you treasure your memories of your mom.

*We were shocked and saddened to hear of Lana's passing. We shared our love of teaching together at Brentwood, along with our love of camping. I still have the class quilt that she and the students made for me years ago. May she Rest In Peace 💕💕*
