“ *Lance graduated with us from Riverview High School in 1971 and I have great memories of him from Junior high and High school. He went to Senior prom with us and we always had a fun time with him. When my Mom and later my Dad passed away, it was Wiegand Brothers that took great care of them for us. I know he is in a great place welcomed at Heaven's gate with open arms by his family and friends who went Home before him. My love and prayers to the family and loved ones he left behind. May your memories of him live on in your hearts until you see him again. He will be missed. Candy Kinsman Douglas*
