I miss you so much. You were like my big sister. You should be here. I'm sorry I wasn't a better big sister to you. I think about all of the things I could've done different to be a better sister to you. When I pray at night, you are always who I think of first. You were strong, smart and funny. I remember all of the good times we had. You're everywhere even though you're not here. I see you in all things beautiful. I miss you Laura.

“ Happy birthday my love. We celebrated you today. I gave the kids a necklace from you. Lyla has the cutest hair cut. I call her pixie now instead of peanut. I miss you so much and still can't believe you're gone. 💔 I can't wait until I see you again. I love you more than you will ever know.

“ Today is your bday and I remember alot of your bdays but especially when you turned 21 I gave you 21 5\$ Bill's and you were so like what! And happy and we always had good times. And always had a blast. You always kept me grounded and protected me. Even tho I was the bigger sister you always looked out for me. For that I will always love and miss you baby sis! Your the bomb! I miss you like you always said I would for ever and a day!

I fished with Lyla and Devon this Christmas. We actually didn't catch anything! 😊 We had a great time though. ❤️ Tons of bites though. They took all of our shrimp. Smart fish. 😊 Bryanna's beautiful and has turned in to quit the woman. Beautiful and smart! Love that girl.

“ *I was thinking about you today. I had to have a surgery this afternoon and I thought about you. I was hoping you came to visit me while I was under. I thought about the time I went in with you when you were going to have Devon. I had to dress up from head to toe. I was so lucky because I was with you the whole time. Even when they took him out, by cesarean. I was there to see everything. You were so strong and brave. And you always had the worst nurses. I miss you so much but I think about you all the time little sis. I wish you were still here. My heart is broken. 💔*

“ *My best memory of my little sister was when I went with her and my dad on a cruise to Cozumel. She wanted to ride horses through the jungle and on the beach. She had never ridden a horse before but she rode like she had done it her whole life. She was so happy and at peace. Now, she is always with me in my heart and as my angel. I love you Laura. ❤️ You created the most beautiful, tender, and kind children. You live on in them. We all miss you beauty. I can't wait to see you again. ❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️❤️*
