“ I often think of LaVerta and of the times we got together. She was a blessing and an encourager. She helped me to organize projects to help the less fortunate in Africa. When I returned from Africa, I even stayed with her. I will never forget her.

“ LaVerta had the sweetest personality. She was always everyone's friend without a complaint herself. I hope the memories of her faithful life comfort you all through this difficult time.

“ My major memory of Cousin Laverta was experiencing her caring and listening attitude. She was sensitive, warm and expressive. She showed interest in others and their problems. She was a very kind soul. May she rest in peace in the arms of the Savior she loved.
