“ *Being a sister-in-law to Skip was such a blessing for over 23 years! He was also a fantastic son-in-law to my parents and a very loving husband to my sister Vicki. I have sooo many memories of family celebrations and wonderful weekly visits.*

Skip has been truly appreciated by my family. Vicki and Skip's three wonderful children- Karen, Kenny and Kevin- have always been precious to me. With the addition of Kenny's wife Sarah and their beautiful children and Kevin's wife Megan, Skip's children have created the family Vicki always dreamed of.

“ *Although he was Roy to many people, he was always Skip and Uncle Skip to me and my kids. Skip was the only boy in a family of 6 kids. To me, he and Nan were the big brother and sister. There were so many family events & celebrations with Grandparents, Aunts, Uncles and cousins. Impossible to convey a lifetime of memories but there are a few that have stuck with me. Snow forts and snowball fights, skating & hockey on the rink our father would make, fishing with Grandpa & catching night crawlers, home movies, paper routes, the Navy and MGs. I remember driving to our parents' house one Thanksgiving and passing Skip & Vicki on their road. They had pulled over and were getting the kids dressed in Pilgrim attire. I remember Skip and our father building the bathroom at my house. I remember Vicki telling him to quit horsing around one Christmas. I remember him at family picnics. I remember Skip's sense of humor, voice, laugh and smile.*
