

Madison Marie Lipker

February 21, 2001 - March 30, 2021

Madison Marie Lipker, 20, entered the arms of her Savior March 30, 2021. She was born February 21, 2001. She graduated from the Sarasota Military Academy and Aveda Institute. Madison's first job was Valentino's on University which she absolutely loved. The owners and staff are the best and they went above and beyond in supporting her.

Madison knew from a very young age that she wanted to become a cosmetologist and she attended the Aveda Institute this last year. This is where Madison shined and she woke up excited to go to school everyday. Madison would say, "I'm at the top of my class with the most days missed." She had a natural talent for doing hair.

The most favorite things Madison loved to do was play games, go to the beach, travel and spend time with her family and friends. Church was very much a part of her life, volunteering in tots, attending youth group and going on a number of missions trips. Her relationship with the Lord was what became important to her and she shared that with everyone around her. She wants everyone to be in heaven with her one day so she wasn't afraid to tell you like it is. Madison will be greatly missed.

The family would like to thank the doctors and staff of Moffitt Cancer Center in Tampa, FL for the incredible care they provided to Madison. A very special

thanks to Dr. Damon Reed, Marris Stebbins RN, Trip Prevatt RN and Lisa Hawk with the Children's Dream Fund. The family appreciates all the prayers for us during this time.

Left to cherish her memory are her parents, Brian and Leaett Lipker; siblings, Kayla, Chloe', Logan and Riley; grandparents, Dwain and Carol Lipker and Ken and Sandra Bagley; uncles, Loren Lipker, David Lipker and his wife Rebecca, Ethan Frizzell and his wife Sue; aunts, Donna McKenna and her husband Marc; and Colleen LaCombe and her husband Jon; and cousins, Hallie, Canaan, Abigail, Micah, Kourtney, Kendra, Mary and Kaitlyn.

“ *Madison was an incredible individual who touched so many lives inside and outside of the hospital. I was so lucky to have been her nurse and help her see the stars one night with her mother in December. Mads was funny, loving, kind, shy, and extremely thoughtful for everyone. She was a selfless person who put her faith and trust in me while I was assigned to her. She will always live in my heart in a special place and I truly am a blessed man to have met her and her wonderful family.*

“ *Madison was such a joy to pastor in her middle school years, I have fond memories of sleepover and softball games. The light and love of Christ that emanated through her continued to ripple out through those who were touched by her life. Only heaven will reveal the extend of her reach, certainly one that extended beyond the confines of her home as Madison was a passionate missionary to multiple Central American countries. What a beautiful legacy she has left.*
